TRADE BOARD PROGRAM ON AIR TONIGHT

The North Saanich Board of Trade will broadcast a program from CFCT this (Wednesday) evening at 8:15 p.m., the first of a series of publicity programs to be held throughout the winter.

The artists appearing on this opening program include Beatrice Lisle, pianist; Josephine Charlebois, soprano; John Lisle, baritone, and J. F. Simister, elocutionist.

The program will include the following piano arrangements: The opening movement from Grieg's Sonata Opus 7, Palmgren's "The Swan," Beethoven's Sonata Pathétique, and Cyril Scott's Lento.

Miss Charlebois will sing Montague Phillips' "Starry Woods," Edward McDowell's "Beaming Eyes," "Ich Liebe Dich," by Grieg; and Eric Coates' "The Man In The Moon." John Lisle will give the prologue from Il Pagliaccio, and two other songs, and J. F. Simister will recite "Mrs. Caudle's Lecture on Shirt Buttons" and "The Mustard Plaster."

BUSINESS MEN WILL MEET ON FRIDAY, NOV. 9

The Sidney Businessmen's Association will meet at dinner at Roberts' Bay Inn at 6:15 p.m. sharp, Friday, Nov. 9th, when all members are requested to be present. This meeting was originally slated for Wednesday, Oct. 7th, but as the local Elgar Choir is putting on a big program at Stacey's Hall that evening and many of the association's members are participating, it was deemed best to set the meeting over till Friday. Friday night there is also a big dance under the auspices of the local 16th Canadian Scottish, commencing at 9, and it is believed the meeting will be over in time for those desiring to attend this dance.

The very serious matter of fire protection will come before the meeting and a committee that has been working hard on this problem will have some valuable suggestions to offer as regards equipment.

The committee looking into the question of disposal of garbage, rubbish, junk, etc., will also report.

An invitation is extended to all people in business in Sidney to attend this meeting. Kindly notify S. Roberts, secretary, if you plan on coming so that catering arrangements can be figured out accordingly.

FIRST MEN'S SUPPER SET FOR NOV. 14

After a summer recess of six months, the men's supper series of monthly meetings will be resumed on its regular day, in November.

This meeting will mark the beginning of the fifth year of the series and every effort is being made to have the meetings maintained on the high level reached after four years of steady and unbroken progress both as to numbers attending and the ability of the speakers chosen to interest and arouse discussion among the members of the group. Last year's average attendance over a period of eight months reached the splendid mark of 55. The mill closing effecting as it has done the removal of so many families may perhaps affect the attendance somewhat, but everything will be done to be worthy of the attention of all thinking people. Full details of the first meeting will be published in a subsequent issue. In the meantime members are asked to note date of Nov. 14, 6:30 p.m. for the commencement of this popular event.

Athletic Meeting at Stacey's Tomorrow

The Sidney Athletic Club will hold a public meeting tomorrow evening (Thursday) in Stacey's Hall, commencing at 7 o'clock. All members are asked to do their utmost to attend as there is important business to be brought up.

Daughter of Pioneer Family Is Married

A wedding of much interest in Saanich, took place in Fairbanks, Alaska, recently, when Rev. Kippenbrock united in marriage a native daughter of Saanich, Edith Mabel, daughter of the late Mr. and Mrs. George Harrison, one of the oldest pioneers of Saanich, and Robert Allan Bowman, of Fairbanks, Alaska, son of Mr. and Mrs. Bowman, of Los Angeles, California.

The bride was smartly attired in a sleeveless gown of white silk net, white georgette hat, and white satin slippers, her bouquet of white and cream roses completed the charming arrangement. She was attended by Miss Ethel Richards, who wore a frock of yellow organdie, with cream hat, and carried a bouquet of cream and gold marigolds.

The groom was supported by Mr. Carl Weller. The church was lavishly decorated with autumn flowers, and foliage, in a color scheme of yellow predominating. Mrs. McGowan presided at the organ.

Following the ceremony a reception was held at the home of Mrs. J. McDonald. The wedding supper was served at a daintily appointed table, centred with a beautiful wedding cake, that was sent from Victoria by the bride's sister, Mrs. Alfred Nelson.

Mr. and Mrs. Bowman left later for a trip to the Circle Hot Springs. The wedding gifts were many and beautiful, as the bride and groom are well known in the city, the former a graduate nurse, has been practising her profession for several years in Fairbanks, and formerly for a number of years in Seattle, the latter a mining engineer. Mr. and Mrs. Bowman will make their home in Fairbanks.

The Agricultural Hall, Saanich, presented a gay scene on Friday, when over 350 guests were present to take part in one of the most outstanding social events of the season—the annual dance put on by officers and members of Mount Newton Lodge, No. 80, A.F. & A.M.

The hall, with its bright decorations, featuring flags and evergreens, together with the beautiful gowns of the attendants, made a very striking picture as the dancers stepped to the strains of the six-piece orchestra.

A delicious "chicken supper," prepared for the occasion by the members of Ruth Chapter, Order of the Eastern Star, was served to the guests at midnight.

W. A. Greene, the wonderful master, made a very efficient master of ceremonies for the gala event.

CHOIR CONCERT NOVEMBER 7TH

Tickets for the Elgar Choir concert, for next Wednesday, are rapidly diminishing and those who still have them for sale ask us to remind you of this fact.

This excellent program of choral music and solo work will indeed be a treat to all music lovers, many favorites being included on the program line-up.

The local choir will be assisted on this occasion by the Imperial Male Choir of Victoria, which has won for itself a name of high standing. Miss Gertrude Straight will act as accompanist.

Stacey's Hall, Sidney, has been engaged for the event, which will commence at 8:15 p.m.

Details as to admission price appear under the heading of "Coming Events."

The class, which will be looked after by competent instructors, will be open to children and adults both. Children to be over the age of six years.

Excellent training in bay-work, club-swinging, exercises and dancing will be included each week and we feel sure that a large number will grasp this opportunity.

Business Summary

The following is a brief business summary covering the province of British Columbia issued on the 23rd of the month by the Bank of Montreal:

Business has been well maintained, but fall trade in seasonal lines is being retarded by fine weather. The apple crop is estimated at 5,180,142 boxes compared with 4,707,386 boxes last year. Export and domestic marketing is progressing satisfactorily and returns to growers are expected to show an improvement this year. Livestock are in excellent condition, but the demand is light and prices unremunerative. Lumber shipments to overseas markets for the 12 months ended August 31st totalled 808,680,420 feet, a record for a 12 month period. A satisfactory feature of the salmon pack, 1,241,508 cases at this date, is the large proportion of the choicer grades. Fishermen have made moderate earnings, but only fair returns from cannery operations are indicated. The increase in the price of silver is encouraging as numerous mines formerly inactive owing to the low prices prevailing during the last few years, are now operating.

SCOUT TOY SHOP SENDS OUT APPEAL

The Scouts are again making an appeal for toys—old, broken or new—for their annual toy shop. Christmas will soon be here again and there are large numbers of kiddies who will not get a present from Santa Claus, so you are invited to help the boys to help those who are less fortunate. They want to raise their mark higher this year and see if they can supply 200 children with toys.

They are establishing three depots: No. 1 at Freeman King's, Third Street, Sidney. No. 2 at the Cub Hall at Mrs. Hammond's, McTavish Road. No. 3 at Roy Tuttle's, Mills Road. Or they will call if you let them know. Those who wish to help and have no toys can do so by paying the postage on a parcel to the burnt out districts on the prairies, or to the interior where they have been asked to send parcels of toys. Your assistance in any way will be greatly appreciated.

A.Y.P.A. HEARS DR. WM. NEWTON

The meeting of the A.Y.P.A. was held at the home of Dr. and Mrs. W. Newton, Thursday, Oct. 25th.

The devotional was taken by Roy Tuttle and the usual business was disposed of.

Dr. Newton was introduced as the speaker of the evening and gave an address on his laboratory experiments with diseases of certain plants. In his talk Dr. Newton explained the intricate and numerous methods by which the causes of the diseases are detected and proven, necessitating, in many cases, a very prolonged and patient study. In his discourse Dr. Newton displayed various exhibits of diseased plants and also gave several demonstrations with the microscope, showing the members the bacteria which attacks the narcissus bulb.

A vote of thanks was extended to Dr. Newton for his very instructive and interesting talk.

The next meeting will be held at the home of Mr. and Mrs. G. Wilson, Fourth Street, at 8 o'clock sharp.

Much sympathy is being felt for Mr. and Mrs. Edgar Tallyn in the loss last week by fire of their nearly-completed home at "Armada." The loss, which included everything, was fully covered by insurance, and Mr. and Mrs. Tallyn are making their home for the present in one of the Smith cottages at Welcome Bay.

The Junior Crusaders were treated to a very jolly surprise party at the home of Mr. and Mrs. F. C. Smith on Friday evening, following their regular meeting in the classroom of the United Church. Taken by their leaders on a mysterious hunt for a pot of beans on somebody's oven, the 20 youngsters called at several homes in the course of their search, finally ending up at the Smith home, where the delicious pot of beans was discovered. Following an hour of games, the beans and other tasty refreshments were thoroughly enjoyed by all. Three hearty cheers for the hostess and committee in charge brought a happy evening to a close.

Miss Edith Bowerman of Victoria is spending a holiday at the home of her parents, Mr. and Mrs. W. Bowerman, Hope Bay.

A young Japanese employee of the Otter Bay herring saltery had a narrow escape from drowning one morning recently when he and the truck he was pushing were suddenly overturned into the water. Being unable to swim, he would have drowned in a very short time had it not been for the timely assistance of two local boys, Bill Falconer and Callum MacDonald, who dived in fully clothed and with their heavy fishermen's boots on. The unfortunate Jap has recovered from his unpleasant experience.

Mr. and Mrs. Walter Phelps of Vancouver and Mr. and Mrs. Basil Phelps of Rock Bay have returned to their homes after spending a short visit with Mrs. Phelps, sr.

Mr. and Mrs. J. W. Gagner, who have been caretakers of the gardens and residence of Major Guy Boyer for the past several years, have recently left the island, and their place is being taken by Mr. and Mrs. John Darling, who have been occupying the Melann property during the past year.

"You can't stop stoking a steam engine" said Wrigley

Interviewed, and asked to what he attributed his phenomenal success, the late Mr. Wrigley, of chewing gum fame, replied, "To the consistent advertising of a good product."

"But," asked the reporter, "having captured practically the entire market, why continue to spend vast sums annually on advertising?"

Wrigley's reply was illuminating.

"Once having raised steam in an engine," he stated, "it requires continuous stoking to keep it up. Advertising stokes up business and keeps it running on a full head of steam."

This applies to your business, too. Don't make a secret of your product. Tell people all about it. Tell them what it does. Tell them its advantages. Tell them where to get it. Tell them through the Press and keep on telling them.
